MY UNIVERSALIS¹

My Universalis is a secure personal workspace that enables each user to use the resource through two key tools :

- **MY FAVORITES**: archive a document in a folder, rename it, edit it, print it and share it. Available only with personalized access.
- **MY SESSION**: view your navigation history and export it to an interactive PDF. Accessible to all users by session.

LISTEN

An audio function allows you to listen to the text of each article, for better accessibility.

DICTIONARY

Accessible by double-clicking on any word, as well as from the menu bar.

¹ All documents held in this workspace are stored by Universalis on protected servers. The user has permanent, secure access to them from any computer. No edited or created document is held in the editorial collection : it remains solely in the workspace, and only the user can control access to and sharing of the document. It is accessible from these websites : ecole.universalis-edu.com, junior.universalis-edu.com, and www.universalis-edu.com

² Compatible with Google Chrome, Edge and Firefox (once the settings have been adjusted accordingly).
